Welcome to Woodlodge Nursing and Residential home, where care through commitment and empathy offers a true “home from home” environment.

Welcome...

Woodlodge Nursing and Residential Home is located in Castlewellan at the foot of the famous Castlewellan Forest Park and provides a tranquil and relaxing environment for our residents.

Established over 30 years ago as a family run business our commitment to providing personalised and individualised care has made Woodlodge one of the finest nursing and residential homes in Northern Ireland.

Situated within 7 acres of manicured lawns, shrubs and trees the grand Georgian style building is steeped in history and houses the residential side of our home, while the adjoining purpose built building is home to our residents who require more nursing care.

Each area of the home has been designed and decorated to provide a home-from-home feeling for our residents and with a great deal of emphasis placed on ensuring that each one of our residents feels truly valued, we pride ourselves on providing the levels of care that every person deserves.

Accommodation

Woodlodge has been designed to ensure the utmost comfort and safety for our guests and there are 49 bedrooms, 20 of which are residential rooms and 29 which are nursing. We have a mixture of single and double bedrooms and the majority of the rooms have en-suite facilities. Apart from a few rooms which overlook a pretty courtyard and garden area, all rooms have beautiful views of Castlewellan Forest Park and the surrounding hills and countryside, offering a peaceful environment that brings comfort to many of our residents.

All bedrooms also have television points, call bells and are furnished to a high standard with fire retardant bedding and upholstery and slip resistant flooring ensuring the safety of our guests.

Our Care Team

At Woodlodge the priority of each member of our caring team is to ensure that the highest standard of care is provided at all times to ensure the health, happiness and comfort of all our residents, and our team is fully committed to putting our residents' welfare above all else.

From the first day that George and Margaret Lavery opened the Georgian style doors of this beautiful building in the heart of County Down the happiness of our residents has always been, and will always be, our number one priority.

Operating to this day as a family run business the home is now managed by George and Margaret's son Liam and their daughter Liz, with a team of qualified and dedicated professionals behind them. During your stay with us you will be cared for by a team of exceptionally competent nurses who are all registered with the United Kingdom Council for Nurses & Midwifery.

On admission to Woodlodge you will be designated a dedicated Nurse to care for your specific needs, along with a small team of care assistants. This Nurse will have particular responsibility for your care, well being, and needs throughout your stay.

Working alongside our qualified nurses and care assistants we have a fantastic catering team who create beautiful home-cooked meals for our guests and a team of domestic staff who ensure that the home is consistently at the highest standards of cleanliness.

Dining & Relaxing

We have a large dining room where we serve beautiful home-cooked meals and numerous lounge areas where our guests can relax, socialise and feel at home.

These communal areas are also where most of the home's activities take place. From bingo to arts & crafts there is always something to keep our guests stimulated and happy. We often have entertainers who will come for a sing-a-long and we hold regular parties for special events and birthdays as well as organising special trips throughout the year to local places of interest.

“

Some of the many activities and services provided at Woodlodge include Hairdressing, Relaxation therapy, Arts & Crafts, Quizzes, Bingo, Free newspapers, SONAR therapy and much more!

”

Choosing Woodlodge

When you choose Woodlodge you will be treated with the utmost respect and dignity from the moment you come through our doors. As we pride ourselves on providing a home-from-home environment we encourage all of our guests to bring with them anything that may make their stay more comfortable, be it personal photos or even their own furniture if they so desire.

At Woodlodge we understand how important it is for each and every one of our guests to feel valued as an individual so we will take the time to listen to what our guests want and need from their stay to ensure that the moving in process is as smooth as possible and that they are settled into their new home-from-home in no time.

Some of the reasons why people choose Woodlodge:

- A genuine home-from environment where our guests feel as relaxed and comfortable as possible
- The highest standards of care from a team of dedicated professionals
- Individualised and personalised care that puts our guests' needs above all else
- Beautiful and tranquil surroundings
- Wonderful home-cooked meals with menus that change daily
- A range of activities and entertainment to keep our guests happy and stimulated
